

## F1 SIM RACING WORLD CHAMPIONSHIP 2023-24

### Round 3 Penalty Notice

From	League Operations	Date	10 Apr 2024
To	Jarno Opmeer	Time	19:26

---

The Stewards have considered the below matter and determine the following:

No / Driver	5 - Jarno Opmeer
Competitor	Mercedes-AMG PETRONAS Esports
Session	Race
Fact	Involved in multiple incidents during and outside of a session
Offence	Involved in an incident as defined by Article 1.g of the F1 Sim Racing Participant's Handbook (where Article 1.g relates to "GeneralConduct").
Decision	A 3-place grid penalty is imposed
License Points	2 point(s) added to the driver's record
Reason	The Stewards reviewed the video evidence, including point-of-view footage from all drivers.

Car 5 left the in-game lobby without a valid reason. The driver then left their rig midway through an active session, during a live broadcast, without prior approval.

Furthermore, Opmeer was disparaging and disrespectful towards F1 Sim Racing Officials during an official interview, and, in so doing, brought the series into disrepute.

It should be noted that this penalty relates to Unsportsmanlike Behaviour in addition to General Conduct.

The Stewards ordered a 3-place grid penalty be applied to the driver's starting position for the following race.
