

F1 SIM RACING WORLD CHAMPIONSHIP 2023-24

Round 8 Appeal Notice

From	League Operations	Date	7 May 2024
To	Rubén Pedreño	Time	20:55

The Review Panel have considered the below matter and determine the following:

No / Driver	93 - Rubén Pedreño
Competitor	Alpine Esports
Session	Race
Fact	3-second time penalty applied to car 93
Offence	Involved in an incident as defined by Article 2.c.v of the F1 Sim Racing Participant's Handbook (where Article 2.c.v relates to "DiveBombing").
Decision	Penalty rescinded
Reason	After reviewing the footage and discussing with relevant team personnel, the Appeals team determine that car 93 performed a switchback maneuver out of turn 5. On the following straight car 93 goes alongside car 6 and 52.

During the entry of turn 6, car 93 is on the inside and makes the apex while leaving sufficient space for car 6 at the exit of the turn, therefore completing the overtake. Whilst car 52 is still on the outside during turn 6, the action of car 93 has no impact on car 52.

The appeals team determine that the manoeuvre of car 93 into turn 6 was legitimately done and have therefore accepted the appeal and set aside the 3 second time penalty.
